Privacy Policy & Notice

This is the privacy notice of Charity Specialists Trust T/A Non Profit Specialists. In this document, “we” or “us” refers to the Charity Specialists Trust T/A Non Profit Specialists ABN: 46 184 711 460.

Our registered office is at Level 17 Chifley Tower, 2 Chifley Square, Sydney NSW 2000, Australia.

This is a notice to tell you our policy about all information that we record about you. It covers both information that could and could not identify you.

We are extremely concerned to protect your privacy and confidentiality. We understand that all users of our website are quite rightly concerned to know that their data will not be used for any purpose unintended by them, and will not accidentally fall into the hands of a third party. Our policy is both specific and strict. It complies with Australian law. If you think our policy falls short of your expectations or that we are failing to abide by our policy, please tell us.

We regret that if there are one or more points below with which you are not happy, your only recourse is to leave our website immediately.

Except as set out below, we do not share, or sell, or disclose to a third party, any personally identifiable information collected at this site.

Here is a list of the information we collect from you, either through our website or because you give it to us in some other way, and why it is necessary to collect it:

1. Business And Personal Information

This includes basic identification and contact information, such as your name and contact details and also includes all information given to us in the course of your business and ours, such as information you give us in your capacity as our client. We undertake to preserve the confidentiality of the information and of the terms of our relationship. It is not used for any other purpose. We expect you to reciprocate this policy.

This Information Is Used:

- to provide you with the services which you request;

- for verifying your identity for security purposes;
- for marketing our services and products;

Information which does not identify any individual may be used in a general way by us or third parties, to provide class information, for example, relating to demographics or usage of a particular page or service.

We keep information, which forms part of our business record for a minimum of six years. That is because we may need it in some way to support a claim or defence in court. That is also the period within which our tax collecting authorities may demand to know it.

2. Your Name, contact details and E-Mail Address

This Information is Used:

- to correspond with you or deal with you as you expect;
- in a collective way not referable to any particular individual, for the purpose of quality control and improvement of our site;
- to send you news about the services to which you have signed up;
- to tell you about other of our services or services of sister websites.

3. Information You Post on Our Website

Information you send to us by completing our online enquiry or quote form, booking a consultation, posting to a forum or blog or in your advertisement, is stored on our servers. We do not specifically use that information except to allow it to be read, but you will see in our terms and conditions that we reserve a right to use it in any way we decide.

4. Website Usage Information

We may use software embedded in our website (such as JavaScript) to collect information about pages you view and how you have reached them, what you do when you visit a page, the length of time you remain on the page, and how we perform in providing content to you.

5. Financial information relating to your credit cards

This information is never taken by us either through our website or otherwise. At the point of payment, you are transferred to a secure page on the website of Stripe or some other reputable payment service provider. That page may be dressed in our “livery”, but it is not controlled by us. Our staff and contractors never have access to it.

5. Note on Padlock Symbols and Other Trust Marks

Many companies offer certification and an icon or other small graphic to prove to site visitors that the site is safe. Some certify to a high level of safety. Others are more concerned to take our money than to provide a useful service. We do not handle information about your credit card so do not subscribe to any such service.

6. Financial Information Relating to Your Credit Cards

We use Secure Sockets Layer (SSL) certificates to verify our identity to your browser, and to encrypt any data you give us when you buy, including financial information such as credit or debit card

numbers. Our SSL certificate encryption level is 128-bit/256-bit. Whenever we ask for financial information, you can check that SSL is being used by looking for a closed padlock symbol or other trust mark in your browser URL bar or toolbar. We take the following measures to protect your financial information:

- Your financial information is encrypted and card details are stored with Stripe, our online digital payment system.
- We do not keep all your data, so as to prevent the possibility of our duplicating a transaction without a new instruction from you.
- Access to your information is restricted to authorised staff in the finance team.
- We do not hold your credit card details, however the card payment information that you entered on our website is stored with Stripe, and secured by multi factor authentication.
- If we ask you questions about your financial information, we shall show partial detail [the first four OR the last four digits of the debit or credit card number], only enough to identify the card(s) to which we refer.

7. Financial Information About Your Direct Debit

If you have agreed to set up a direct debit payment or arrangement, the information you have given to us is passed to our own bank for processing according to our instructions. We do keep a copy.

We operate under the direct debit guarantee scheme. (This provides for the customer's bank to refund disputed payments without question, pending further investigation. Direct debits can only be set up for payments to beneficiaries that are approved "originators" of direct debits. In order to be approved, these beneficiaries are subjected to careful vetting procedures. Once approved, they are required to give indemnity guarantees through their banks.)

8. Credit Reference

To assist in combating fraud, we may share information with credit reference agencies if required, so far as it relates to clients or customers who instruct their credit card issuer to cancel payment to us without having first provided an acceptable reason to us and given us the opportunity to refund their money.

9. Third Party Advertising

Third parties may advertise on our website. In doing so, those parties, their agents or other companies working for them may use technology that automatically collects your IP address when they send an advertisement that appears on our site to your browser. They may also use other technology such as cookies or JavaScript to personalise the content of, and to measure the performance of their adverts. We do not have control over these technologies or the data that these parties obtain. Accordingly, this privacy notice does not cover the information practices of these third parties.

10. Third Party Content

12. Content You Provide to us with a View to Be Used by a Third Party

If you provide information to us with a view to it being read, copied, downloaded or used by other people, we accept no responsibility for what that third party may do with it. It is up to you to satisfy yourself about the privacy level of every person who might see your information. If it is available to all the World, you have no control whatever as to how it is used.
